TC-15 Oil Filter Crusher

- The TC-15 Oil Filter Crusher is the workhorse of oil filter crushers with 38,000 lbs of crushing force!
- Crushes up to 4 filters at a time or paint/solvent containers in the 9"x16" crush chamber
- The door safety switch makes a safe operating unit for high-volume shops and fleet maintenance facilities where EPA and recycling policies are in effect
- The TC-15 Oil Filter Crusher is available in both 110V or 220V models.
